**Course Description**

This course is the second in an accelerated two-quarter series designed to teach students to read ancient Greek texts, from the biblical New Testament to Homeric poetry and Platonic philosophy. These two quarters will teach all the fundamentals of grammar and vocabulary and lead students directly into a Fall quarter course dedicated to reading the New Testament in the original language. Thereafter students will progress to a range of genres from the classical and post-classical periods, including ancient Greek history, poetry, philosophy, drama, and more.
